

OUR MISSION:

Fellowship Church exists to be a community of love, inviting all to experience acceptance and forgiveness through God's power and presence.

OUR VISION:

Fellowship Church is a family, welcoming those who are looking for acceptance, meaning and purpose in their lives. We celebrate and are transformed by God's love and forgiveness in dynamic worship services and Spirit-filled prayer. We have a strong desire to be a growing, yet intimate, family by building relationships and offering experiences of services, learning and fun where God changes lives.
